

# un zeste d'amour for your Maman

*a touch of love for your mum*

Bonjour !

Say merci beaucoup maman with a delectable French treat !

We are loving Bonne Maman's Intense jams at the moment, it's packed with intense flavours with less sugar... just like grandma used to make !

Treat Mum with one of our specially selected platters - we can tailor them to your taste with our sweet and savoury delights, you can see more details below.

Bubbles always add a fun touch to any occasion - our Mimi sparkling rosé has just arrived back on our shores! For the extra special touch, our delicious Champagne Boizel is wonderful as an apéritif or to enjoy with a special brunch.
