Add French wines to your life and hampers

White wine, to match with your fish dishes

Tariquet **Côtes de Gascogne Réserve 2015** \$23.00

The 4 grape varieties of this white wine cuvée, which is bottled after a year of aging in large wooden barrels, present a melting, complex note of fruity aromas and the vanilla notes of the wood, which are taken in the taste of yellow peaches and exotic fruits.

Anne-Laure **Pinot Gris 2016** \$26.00

Delightfully rich Pinot Gris from one of the most consistent Alsace producers, Cuvée Anne-Laure has an intense and expressive nose with hints of ripe fruits.

Red wine, to make your BBQ unforgettable

Grandes Vignes **Côtes du Rhône 2016** \$20.00

It's hard to beat the sheer drinkability of this red. Rich red fruits, provençal herbs, violets and smoke all wrapped up in velvety tannins. A quintessential Côtes du Rhône that only leaves you wanting more.

Château La Bastidette **Montagne St Emilion 2014** \$26.50

If you want value in Bordeaux go to the neighbours of the big name appellations. Right next to St Emilion, the Merlot dominant Bastidette is a good example. Savoury berry flavours with good structure, perfect with those lamb chops.

Rosé for your Summer 'apéro'

Paradou **Cinsault Rosé 2017** \$18.00

Breakfast, lunch and dinner, this 100% cinsault rosé can be drunk at anytime. It's classic, light, fruity and dry, its only drawback is the bottle never seems big enough.

Houchart **Côtes de Provence 'Sainte-Victoire' 2017** \$24.50

East of Aix-en-Provence is the imposing, limestone massif of Mt Sainte-Victoire. The rosés produced here have more weight and texture, the ripe fruit has both acidity and minerality often with a spicy, peppery character. A great food rosé.

Bubbles to celebrate the day!

Monmousseau **Méthode Traditionelle Brut Etoile NV** \$21.00

The Loire valley produces huge volumes of Methode Champenoise from the Chenin Blanc grape. Naturally high in acidity they have a wonderful exuberance that balances the ripe apple flavours and freshness. The perfect aperitif.

Charles Orban **Champagne Blanc de Noirs Brut NV** \$56.00

A multi award winning Champagne. The Pinot Noir and Meunier grapes give it an earthy depth and the extended lees contact creates great texture and plenty of breadly yeast characters. Simply superb.

Gold Medal Winner in the NZ International Wine Show 2018

Camus Cognac

Award winning Camus Cognacs have just landed at Maison Vauron, the largest Cognac house to still be entirely family-owned. For five generations, the Camus family has worked with boundless passion and patience to craft remarkable Cognacs.

Extra Elegance

\$600

A deluxe blend of extra old eaux-de-vies. Immerse yourself in the never ending complex flavours of leather, tobacco, sous-bois and dried fruits, wrapped in pure velvet. Exquisite.

Borderies XO

\$275

No one has more vineyards in the Borderies region than Camus. A benchmark cognac with rich, aromatic complex palate and extraordinarily long finish. Wow!

The story began in 1863, when it was founded by Jean-Baptiste Camus. Five generations later, the Camus family has refined and continued their passion for crafting exceptional Cognacs with a style that is completely their own. The property lies at the heart of the Borderies region, the smallest and rarest AOC cru. Jean-Baptiste was the pioneer of this region that was at the time, unrecognised. He saw the potential and dedicated his life to sharing this with the world. The family occupies 180 hectares here, the largest landowners in the Borderies appellation. This unbreakable bond between the land, the traditions and the family who live on it is the foundation of Camus. Today, Camus is famous for capturing the unique marine notes of the Ile de Ré vineyards, their excellent aging qualities and the values and passion they hold close.

VSOP Elegance

\$110

The quality of this VSOP sets the standard for the whole range. Remarkably smooth and balanced, with subtle vanillin oak. The best VSOP on the market today? Without doubt.

Ile de Ré Double Matured

\$120

A unique Cognac, the only one distilled and aged on the Ile de Rey off the coast near to La Rochelle. The grapes have picked up a salty/iodine character that gives this Cognac a distinct maritime influence.
